

AUBURN MEMORIAL MEDICAL SERVICES, P.C.

Office Policies

We would like to thank you for choosing _____ as your medical provider. We have written this policy to keep you informed of our current office policies.

Office Hours: Our office is open Monday - Friday, _____ a.m. – _____ p.m.

Appointments: We see patients by appointment only. Same day appointments are usually available for urgent or sudden illness.

After Hours and Emergencies: For a serious emergency call 911 right away. If you are not sure and you call our office, please be sure to tell the person who answers the phone that it is an emergency. After hours you will reach our answering service. They will page the provider on call.

Urgent Need or Sudden Illness: We have a limited number of same day or “work-in” appointments available every day. Please call early in the day, as these spots fill up quickly. If there are no available appointments with your physician, the receptionist will offer an appointment with the nurse practitioner, physician assistant, or nurse mid-wife or transfer you member of the clinical staff who will discuss your needs with a physician and determine what you should do.

Cancellations: Please call within 24 hours if you are unable to keep your scheduled appointment. This allows us to provide that time slot to another patient.

Running on time: We know your schedule is busy and that your time is valuable. Please let us know if you have waited more than 15 minutes so we can double check to see if you have been properly checked in. Remember that we are running several different schedules. If someone who arrived after you is called before you, they might be having blood drawn or seeing a different provider.

Treatment of Minors: Patients under the age of 18 must be accompanied by a responsible adult or have written permission, for treatment, from a parent or guardian.

Lab Work: Most lab work that is ordered in the office is sent to Auburn Memorial Hospital Laboratory. In some situations, insurance company requirements dictate that we send out lab work to other laboratories. If you need your lab work done by a specific laboratory i.e. Lab Alliance, Centrex, Lab Corp, make sure you tell us at every visit.

Complete Physical Exams: We believe that routine, annual complete physical exams with screening lab tests are very important to the maintenance of good health. However, insurance benefits vary. Some policies cover “wellness” and others cover visits when you have a complaint. Please learn about your benefits prior to your appointment so you will know what is covered by your insurance plan.

Nurse or Medical Assistant: The clinical staff that assists our providers encompasses Registered nurses (RN), Licensed Practical Nurses (LPN), and Medical Assistants (MA). The clinical staff is often referred to as “nurses”. However, medical assistants are not nurses. Although they definitely help you and the doctors, and you probably think of them as nurses they are not licensed under the State of New York as RN’s and LPN’s are. Medical Assistants have technical school or on-the-job training in providing medical assistance to the physicians. Like a nurse they take blood pressures, weigh you, ask about your symptoms, schedule tests, and call in prescriptions. They work under the direct supervision of the doctor.

Speaking with a “Nurse”: To speak with a clinical staff member, you can either choose the option from the auto-attendant or be transferred by the receptionist. Sometimes, at the time you call, the nurse may be helping the doctor, so your call may be answered by voicemail. Please leave a detailed message-including your full name and a date of birth. The nurse will call you back-usually the same day. If you need immediate assistance press “0” to get back to the receptionist.

Test Results: If you have diagnostic testing, i.e., lab, x-ray, echo, ultrasound, sleep study, please schedule a follow-up appointment, within 7-10 days, to go over the results with your physician and you will be subject to your copay/coinsurance. Generally, results will not be given over the phone.

Prescriptions and Refills:

- The best time to get a prescription refill is at your appointment.
- If you need to call for refills, don’t wait until you have run out. Refills require the doctor’s approval. If your doctor is out for the afternoon, it may be the next day (or Monday) before it can be authorized.
- Don’t go to the pharmacy to wait for your prescription to be called in. Call them first to see if it is ready.
- Refill requests called to us before 2:00 p.m. will be handled by the end of the day. After 2:00 p.m., it may be the next morning before your request can be addressed.
- Some medications have potential side effects that must be monitored. We require check-ups every 3 or 4 months for these medications. Be sure to keep those follow-up appointments.
- Some prescriptions cannot be called in. The prescription must be printed for you to pick up.
- Don’t call after hours for prescription refills.

Samples: We sometimes offer you samples to help you try out a new medication before you purchase it. Remember that samples are not a long term way to fill your prescription. We do not always have samples of your medications. Please do not rely on samples for medications you take long term.

Narcotics: We do not prescribe narcotics for chronic use. We do not call in narcotics after hours (evenings and weekends). If you require chronic use of narcotics, our physicians might refer you to a pain management specialist.

Mail Order Prescriptions: Many insurance plans offer financial incentives for using mail order pharmacies. We are glad to print out prescriptions for your mail order pharmacy needs. You can pick these up at our office. We do not fax or call in mail orders.

Referrals: Referrals are handled by our Referral Assistant. Sometimes this can be done on the same day as your appointment and sometimes it can take 2-3 days, depending on your insurance and/or the urgency of your situation. Someone will contact you as soon as the referral authorization is obtained. As a patient, it is your responsibility to ensure that your specialist is on your plan. It is also your responsibility to ensure your specialist receives your test results. The specialist will not see you without these. Please understand that it can sometimes take a few weeks to get an appointment with a specialist. This is not something we have control over.

Dismissal: If you are “dismissed” from the specialty practice it means you can no longer schedule appointments, get medication refills or consider us to be your doctor. You have to find a doctor in another practice.

Common Reasons for Dismissal

- Failure to keep appointments, frequent no-shows
- Noncompliance, which means you won't follow physician instructions about an important health issue
- Abusive to staff
- Failure to pay your bill

Dismissal Process

We will send a letter to your last known address, via certified mail, notifying you that you are being dismissed. If you have a medical emergency within 30 days of the date on this letter, we will see you. After that, you must find another doctor. We will forward a copy of your medical record to your new doctor after you let us know who it is and sign a release form.

A COPY OF THIS FORM WILL BE PROVIDED AT YOUR REQUEST. PLEASE INFORM THE RECEPTIONIST.

Financial Policies

We would like to thank you for choosing _____ as your medical provider. We have written this policy to keep you informed of our current financial policies.

No Insurance: Payment will be due at the time of service. If you are unable to pay your balance in full, you will need to make prior arrangements with our billing staff.

Insurance: Although we are contracted with several insurance companies, it is your responsibility to make sure that our physician is in your plan. It is also your responsibility to know your insurance benefits. As a courtesy to our patients we will file primary insurance forms from our office. In order to do this we will require information from you. We will need all your demographic and insurance information prior to your appointment. We will also request an update on this information approximately every six months thereafter. We ask that at the time of your appointment you bring your insurance card and a photo ID as well as any other forms that will assist in making sure that your claim is filed correctly. At the time of service you will be responsible for all fees that are not covered by your insurance, including co-pays, co-insurance, deductibles and non-covered services or items received. The co-pay cannot be waived by our practice, as it is a requirement placed on you by your insurance carrier. We strive to be as accurate as possible in calculating your responsibility but, with so many variations in policies and fee schedules, we are not always exact. You may receive a statement from our office for any balance due. For your convenience we accept cash, checks, credit cards (Visa, MasterCard, and Discover), and money orders. Payments are also accepted by phone.

Auto Accident: If your injury is a result of an auto accident, please inform the receptionist immediately. You will need to supply the receptionist with the carrier and claim information.

Liability Injury: If your injury is a result from another party's negligence, you are required to pay for services and then collect from the responsible party. We will bill the insurance as a courtesy, however you are ultimately responsible for the payment within a timely manner.

Worker's Compensation: If your injury is due to an accident in your work place, please inform the receptionist immediately. You will need to supply the receptionist with the carrier and claim information.

Return Checks: There will be a \$25.00 charge assessed for any check returned by your bank for any reason.

Disability, Insurance Forms, Attending Physician Statements, FMLA: There may be a charge of \$5.00-\$25.00 for the completion of medical forms depending on the length of the form. In some instances you may be required to schedule an appointment. Payment is due at the time that you pick-up these forms. Please allow 7-10 days for the completion of these forms. If you would like the forms mailed to you or the insurance, payment will be due prior to mailing. FMLA forms require that you come in for an appointment.

Medical Records: We will provide you a copy of your medical records upon request and for a fee. You will need to sign a letter of release prior to having them copied. Please allow up to 10 days for this request to be processed. A minimal fee of 75 cents per page will be

charged to cover the cost of the copies. Payment is expected at the time the records are picked up.

Billing: If you receive a bill from us, it is because we believe the balance is your responsibility. Please contact your insurance company first, if you think there is a problem. If you have any questions about your bill, please call our billing department immediately. If you cannot pay your entire balance, please call to make payment arrangements.

Collections: Accounts that are not paid within 30 days begin our in house collection process. If your balance becomes 65 days old, a late fee of \$10.00 will be added to your account, final notice will be sent and the account may be placed with an outside collection agency. In addition, your doctor will be notified and you may be subject to dismissal from the practice.

Acknowledgement

I acknowledge that I have received and read a copy of the _____ **Office and Financial Policies.**
